ARM TEENAGE GIRLS

Billie Eilish wore a tank top out the other day and, as we had all predicted but were nonetheless praying wouldn't happen, the internet went wild.

I shouldn't have to explain to you why it's really kind of fucked up to start tweeting "she's thick" alongside a cropped photo of her where, yes, god help you, you can see breast tissue. I shouldn't have to say this, but I will:

STOP SEXUALIZING TEENAGERS. I DON'T CARE WHAT THE AGE OF CONSENT IS IN EUROPE. I DON'T CARE THAT SHE'S GONNA BE EIGHTEEN SOON. SHE IS A SEVENTEEN YEAR OLD GIRL WHO DRESSES ATYPICALLY MASCULINE TO HIDE HER GROWING BODY SO THAT MOUTHBREATHERS DON'T COMMENT ON IT AND YET HERE YOU ARE.

emphasis on the GROWING!! you shouldn't even be talking about nineteen year olds like this. I'm twenty-two and my tinder age range barely scrapes twenty on the low end. I don't even want to talk to twenty year olds, so why in the world are we in a tip over a seventeen year old? you disgust me. the whole "start your own girl gang" movement is heavily influenced by the fetishization of actual japanese girl gangs but also, i feel like maybe if we equipped Billie Eilish, Addison Timlin circa the "check yes juliet" video, the Olsen twins circa the horrid countdown clock to their 18th birthday, Zendaya, Lorde, and countless other young women with baseball bats, we wouldn't have as many issues of men being literal actual trash on the internet. I'm not saying they should be threatening to go home run on stan twitter, but the imagery of it should absolutely suffice.

RED

crisp pear: the sweetest of all the flavors, so far. cloyingly sweet without much in the way of tartness as a result of the aspartame. sugarfree is death. sends you straight into the atmosphere with not enough oxygen.

BULL

classic, sugar free, 8.4 oz red bull: the perfect bite-size pep talk. 5 hour energy could never. gives you wings like the caterpillar from bug's life: small but mostly effective. go heimlich.
